4 November 2026

Dear Parent/Carer,

On Friday 6 November 2026, all Year 11 students will be taking part in a series of workshops delivered by Humanutopia. Students will be off timetable for the day and based in the Main Hall whilst completing the programme.

The workshops, titled "The Final Push", are designed to help students build confidence, resilience and motivation as they approach their GCSE examinations. The sessions will focus on developing a positive mindset, overcoming barriers to success, exploring future aspirations and identifying practical actions that students can take to maximise their potential over the coming months.

The programme aims to help students feel more confident and optimistic about their future, reduce anxiety around upcoming challenges and leave with a clear plan for success as they prepare for their exams.

We wanted to make you aware of the programme so that you can discuss the sessions with your child at home and help reinforce the key messages. We hope that by working together, we can ensure every student approaches the months ahead with confidence and determination.

Thank you for your continued support.

Assistant Principal
