Dear Parents and Carers

I would like to extend a very warm welcome to all our families as we begin another exciting academic year at Lynn Grove Academy.

We were incredibly proud of our outgoing year 11 cohort who once again have achieved some **brilliant GCSE results**. The below is an exert from our press release:

Among the school's highest achievers was Ashmigka Satheeskumar, who secured six grade 9s, two grade 8s and one grade 7, alongside a Distinction in Creative iMedia. Other outstanding performances included:

- *Sienna Todd, who achieved three grade 9s, two grade 8s, three grade 7s and one grade 6.*
- *Harley Timms, who achieved one grade 9, five grade 8s, three grade 7s and one grade 6.*
- *Lyla Easeman, who achieved one grade 9, three grade 8s, three grade 7s and three grade 6s.*
- *Logan McKinna, who achieved one grade 8, eight grade 7s and a Distinction in Creative iMedia.*
- *Charlotte Price, who achieved one grade 9, and ten grade 7-8 across an impressive range of subjects.*

The results reflect the commitment and perseverance shown by students throughout their time at Lynn Grove Academy, where learning is placed at the heart of school life and pupils are encouraged to challenge themselves, embrace opportunities and fulfil their potential.

Congratulations to all of our year 11 pupils!

The start of term has been incredibly positive, and I have been delighted by the manner in which our pupils have returned to school. It has been particularly pleasing to see our new Year 7 pupils settling in so quickly. They have embraced life at Lynn Grove Academy with enthusiasm and are already learning our routines, expectations and ethos. I would also like to recognise our Senior Year Pupils, who have returned showing real ambition and determination. Their maturity, focus and commitment to their futures set an excellent example for younger pupils and reflect the high aspirations we have for all pupils.

I would also like to thank pupils and families for their support with the introduction of our new **Hush Phone Pouch System**. As part of our revised morning routines, the system has been implemented very smoothly and pupils are adapting positively. We have already seen the benefits of reducing distractions and ensuring that pupils are fully engaged in learning and school life throughout the day. I am grateful for the mature and sensible approach our pupils have shown as this new routine has become established.

After feedback from parents and some reflection on improving communication between school and home, this year I am introducing a **weekly Principal's Newsletter** for parents and carers. The newsletter will provide regular updates on academy life, celebrate academic achievement, showcase enrichment opportunities and keep families informed about key events and developments across the school. I hope this will strengthen our communication and provide a clearer insight into the many successes and opportunities taking place at Lynn Grove Academy each week.

I would like to say a few words about the **partnership between home and school**. We will soon be re-issuing our Parent Handbook, which serves as an important reminder of our expectations, policies and the ethos that underpins everything we do. We are proud to be an oversubscribed school and that success has been built upon a clear ethos, high standards and a shared commitment to providing the very best education for our young people.

We always welcome constructive feedback from parents and carers, and we value the perspectives of our community. For our pupils to thrive, it is essential that families and school work together in partnership. We ask that parents support the academy's decisions, routines and expectations, recognising that they are designed to benefit all pupils. By working alongside one another, with mutual respect and a shared sense of purpose, we can ensure that every child has the opportunity to succeed and flourish.

Finally, a thank you for **parking considerably** along Lynn Grove and the surrounding streets outside the school. This helps us to maintain positive relationships with our neighbours and keeps congestion to a minimum.

Thank you for your continued support of Lynn Grove Academy. I look forward to working with you throughout the year and celebrating the many achievements that lie ahead.

Yours faithfully

Mrs Brookes
Principal
