

PRINCIPAL'S NEWSLETTER

Issue No 1

PRINCIPAL'S UPDATE

Welcome to the first edition of the LGA Principal's Newsletter! It has been an incredibly positive start to the autumn term. We had record numbers of families at our Open Evening last week and new parents commented on the maturity and friendliness of our amazing pupil ambassadors. Pupils have responded very well to our new phone pouches, and we are so proud of how they have embraced this new routine. Watch this space for our upcoming Enrichment and Pupil Leadership Fairs! We know our pupils will embrace these opportunities to widen their participation in extra curricular activities at LGA. Enjoy this first edition!

COLLEGE UPDATE - LEO

A huge well done to our wonderful, Roarsome Leo College!

It has been fantastic to see such a positive and confident start to the new academic year. Our Leo Lions have adapted brilliantly to new routines and show a real sense of enthusiasm and togetherness. We are so proud of all our pupils for making such a positive start and for continuing to put Learning at the Heart of everything you do.

Keep it up, team Leo. You are doing brilliantly!

ACADEMIC SUCCESS - MFL

Miss Corina's Year 8 Spanish class are putting learning at the heart, using their mini whiteboards to practice the past tense. Miss Corina has been really impressed with this class since the start of the year, particularly their enthusiasm and willingness to embrace challenge.

MEET THE STAFF - MISS KELF - ACADEMY ADMINISTRATOR

Tell me one thing about yourself which pupils and parents might not know?
I love drama! And singing! I used to have singing lessons when I was younger. Ms Snell was my drama teacher!

What do you love about the pupils at LGA?

I don't get to sit and chat with lots of pupils but when I do - I realise that they are all so different to each other. They know our routines and are super polite. They also make me laugh.

What's your favourite event at LGA?

New Parents Welcome evening - I love seeing the excitement of all the new children and how wowed everyone always is!

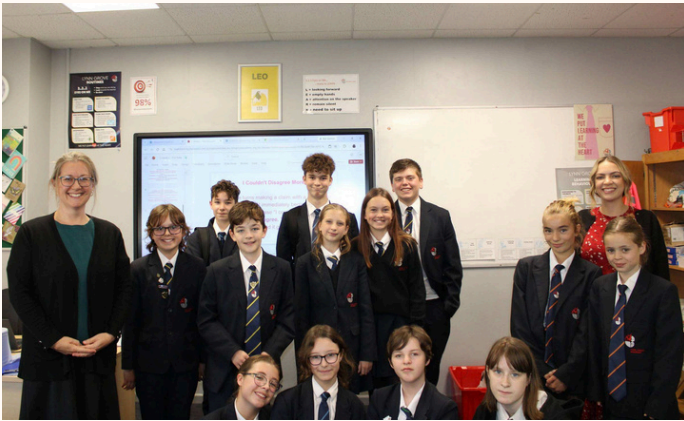

What part of the LGA ethos most speaks to you?

We are a community - we really do all look out for each other and are there for each other. The pupils see this everyday

What one thing would you like families to know about LGA?

How much we truly care for the children and how much we want to be a part of their success.

EXTRA-CURRICULAR OPPORTUNITIES - DEBATE SOCIETY

Debate Society is up and running already, with several new members joining us this year. We have started well, reminding ourselves of the key skills and rules involved in a formal debate through games and discussion. We are hoping to be involved in some more external competitions this year and through this build the confidence of the younger members of the group. It is wonderful to have such a mix of students in our club, giving all of them a chance to make friends with new people.

PUPIL LEADERSHIP TEAM - YOUNG INTERPRETERS

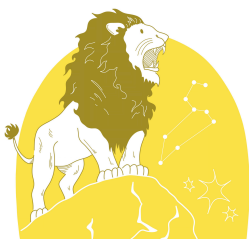

Young Interpreters are a dedicated group of pupils who support pupils learning English as an Additional Language. They also help promote a welcoming, inclusive school community.

Their work contributed to Lynn Grove Academy achieving the School of Sanctuary Award, recognising the school's commitment to providing a safe, inclusive and welcoming environment for all.

Last academic year, the Young Interpreters organised competitions celebrating global events, including Day of Welcome and Refugee Week, and visited Woodlands Primary Academy to share their work, alongside many other initiatives.

This year, they are looking forward to even more exciting opportunities and sharing their work with the wider school community.
