Dear Parents / Carers

Re: Information Regarding Post 16 Applications and Pathways

In order to help Year 11 pupils gather informed, impartial advice about their choices at age 16, we have arranged the following;

East Norfolk Sixth Form College (EN) will visit the academy on 25 September in order to introduce their range of qualifications, to explain the entry requirements and to answer any enquiries about what it is like to study at a sixth form college. This will be followed by a visit to their Open Day on Thursday 5 October. The EN website has additional details regarding other Open Days.

East Coast College (ECC) (formerly GYC and Lowestoft College) will present the opportunities available to students on Wednesday 18 October, followed by a visit for all Year 11 pupils on 2 November (Great Yarmouth campus). The Lowestoft campus holds their Open Day on 9 November.

Other providers such as City College and Easton College will present the courses offered to interested pupils during after school sessions. Dates will be confirmed shortly.

Arrangements for the visits to EN and ECC are as follows:

- Both visits are FREE, compulsory and require FULL UNIFORM.
- EN visit: Pupils to make their own way to the main entrance of the college for registration at 1.25pm. Whilst at the college they will be able to investigate courses of interest. The visit will end at approximately 2.45pm when pupils will be dismissed. If you would like your son / daughter to be provided with school transport to and from the college please indicate this on the reply slip below.
- ECC Visit: Pupils will register in the atrium at 1.15pm prior to travel by coach (no cost) to the college. Return will be via coach, returning for 2.55pm.

Please sign the slip below indicating your approval for attending both colleges and return to Student Reception by 30 September 2017.

Yours sincerely
