

18 May 2018

Dear Parents & Carers,

I am enclosing a copy of the Year 10 end of year mock exam timetable for pupils in Year 10. These exams are a vitally important preparation for GCSE exams in Year 11 as they give pupils:

- practice in completing work in timed conditions
- an indication of the topic areas that they have mastered and what will need revisiting in the run up to GCSEs
- an experience of the whole examination process to ensure that pupils are familiar with exam regulations and good practice.

We ask that pupils arrive at least 10 minutes before the printed start time of their exams. This will mean a slightly earlier than normal start to the school day on a few occasions but this is to allow pupils a break between exams. For all exams pupils are required to write in black ink and will also need a pencil, ruler, maths equipment and a scientific calculator. The only pencil cases allowed into an exam are clear transparent cases. All of this equipment is available to purchase from school reception.

Should you have any questions regarding this exam series please do not hesitate to contact either Mr Goddard, Progress Leader for Year 10, or myself.

Yours sincerely,

D Carter

Mr. D. Carter
Vice Principal
