Mock Results' Day – Tuesday 8 January 2019
Second Parents' Consultation Evening – Thursday 4 April 2019

As parents we know that you want to support your son or daughter to achieve their potential in their final summer exams but, at times, you are not always equipped with the information or knowledge you need to do so. In order to help you during this important time we are holding a Parents' Information Evening on **Thursday 18 October 2018**. Commencing at **6.30pm** and concluding at **8.00pm**, we will be providing you with the key details of courses your child is following and where you can get extra revision and support materials. There will also be the opportunity to discuss any pastoral concerns with our Year 11 Progress Leader.

We do hope you will also be able to join us on **Tuesday 6 November** between **5.00pm and 8.00pm** for the Parents' Consultation Evening when you will have the opportunity to discuss your son's or daughter's progress with their subject teachers. On this important evening, we will be sharing with you the specific steps we believe your child needs to make to ensure that he or she meets or exceeds their targets. Pupils should begin to make appointments in their planners as soon as they return from half-term on Monday 29 October 2018.

At the end of November and beginning of December, our Year 11 pupils will be engaged in their 'Mock' exams. The experience will give our pupils a valuable insight into what the final exam experience will be like and better prepares them to cope with what can be a stressful and demanding few weeks.

On **Tuesday 8 January 2018** we will be holding a 'Mock Results Day', which will involve all our Year 11 pupils and has been specifically designed to support them in preparing for their final exams. Starting at 8.15am, pupils will be invited to our main hall, where we will be giving out our pupils' mock results in the format used for the real exam results in August; you are welcome to join us from 8.15am if you are available. Following a short assembly, pupils will experience some input on how to revise, how to plan their revision time and access relevant revision materials.

Following feedback from our parents we have introduced a second Parents' Consultation Evening for Year 11 pupils. This will be held on **Thursday 4 April 2019** following our "March Mocks" this will enable us to give you a clear picture on your child's progress and what they need to do in order to fully prepare for a successful exam season.

To assist with planning our resources for the events, please complete the reply slip below and return via your son or daughter to the school office on Friday 12 October 2018.

Thank you for your continued support and co-operation as we work together to ensure your son or daughter achieves their maximum potential.

Yours faithfully

Mrs V Hill
Vice Principal
