

28 October 2019

Dear Parents and Carers

I am writing to let you know that Lynn Grove Academy have been invited to the Skills for Energy event at East Coast College, Lowestoft on Wednesday 27 November. This is a great opportunity for our Year 9 pupils to meet up to 30 employers and colleges linked to the energy industry. Pupils will attend during school time and will return before lunch time. There is no cost for this trip but spaces are limited therefore if the trip is oversubscribed names will be drawn randomly.

If you wish for your child to take part in this trip, please complete the attached permission slip, including a daytime contact number and permission for photographs to be taken on the day and return to the Trips post box near Student Reception by Friday 1 November 2019.

The safety and wellbeing of the group is the most important aspect of any trip, therefore, should we have reason to believe that your child's behaviour may compromise this we reserve the right to refuse a place or to withdraw your child from this trip.

Yours faithfully

Mrs Cullingham  
English & Careers Teacher
