I am writing to inform you of the latest advice, sent to all schools today, published by the Department of Health and which applies to all travellers returning from countries affected by the outbreak of the Coronavirus (Covid-19) since 19 February 2020 (half-term week). We are supporting the UK-wide campaign to slow the spread of this virus.

In accordance with the advice received today from Public Health England, we ask that any member of the school community who has travelled from (or intends to travel to) any of the countries listed below, contacts the school's First Aider, Mrs Lisa Amer on 01493 661406 or via email [enquiries@lynngroveacademy.org.uk](mailto:enquiries@lynngroveacademy.org.uk)

We have published maps of the affected areas (\*) on our website.

Travellers returning from Category 2 countries **who develop flu-like symptoms** including a fever, a cough or difficulty breathing, however mild, should call NHS 111 and stay indoors, avoiding contact with other people. You do not need to follow this advice if you have no symptoms.
