13 February 2020

Dear Parent/Carer

We are looking to support your child further with another extensive holiday examination preparation programme. This opportunity is open to all year 11 pupils and will complement the individual preparation and revision that they should be doing at home. As 'March Mock' begin shortly after our return from half term, revision during the break will enable our young people to make the very best of the assessments and allow us to focus our teaching after mocks more precisely. Revision completed now will be an excellent investment in future success.

Below is the schedule for the sessions we have planned during February half term:

Subject	Days	Time	
Geography	Monday 17 <sup>th</sup> February	10am to 12:30pm	in room 17
Maths	Tuesday 18 <sup>th</sup> February	10am to 2pm	
English (7-9s)	Wednesday 19 <sup>th</sup> February	10am to 1pm	in room 27 and 30
Media	Wednesday 19 <sup>th</sup> February	1pm to 4pm	in LRC
Engineering	Wednesday 19 <sup>th</sup> February	1pm to 4pm	
<b>***French</b>	<b>Friday 21<sup>st</sup> February</b>	<b>1pm to 3.30pm</b>	<b>Ms. Mobbs</b>
Science (11x1)	Friday 21 <sup>st</sup> February	10am to 1pm	Mr. Pritchard
Science (11y1)	Friday 21 <sup>st</sup> February	10am to 11:30am	Mr. Pritchard/Mr. Wright
