LRC Weekend Revision

Dear Parents & Carers

As you know, the March mocks and final GCSE exams are upon us and hopefully your sons and daughters are fully engaged in a revision programme. To support pupils we have already issued revision planners and advice on best use of revision time and a wealth of general and targeted revision sessions are taking place most nights after school.

To further support revision, we are now going to open the LRC to pupils at weekends until the end of the exam season. Year 11 pupils can access the Library from **10.00am until 2.00pm** every weekend over the next two half terms from **Saturday 29 Feb** until **Sunday 7 June**. The aim of these sessions is to give pupils a quiet and dedicated place to revise independently. These are not always formal, "taught" revision classes, but we have a range of specialist staff supervising in the Library who will be able to offer advice, guidance and support to pupils. Pupils can also take the opportunity to do timed exam questions or get feedback and advice on any written work that they complete in the subject of the supervising staff. On the next page is the timetable of the subjects taught by supervising staff so that pupils can decide when they may specifically want to attend, although obviously pupils are welcome at any and all of the sessions to revise independently. Amendments to the staffing will be communicated through assemblies to pupils.

Further arrangements for interventions during the half term and Easter holidays will be sent out separately.

Should you require any further information on revision to support your child as they enter their exam period, please do not hesitate to contact either Mr Goddard or myself.

Yours sincerely

Mr. D. Carter
Vice Principal
