Dear Parents and Guardians

**Year 7 Parents' Consultation Evening – 19 March 2020**

I have taken the reluctant decision to cancel our parents consultation evening on Thursday 19 March 2020.

My decision reflects the fact that we estimate that well over 600 people would be in attendance and would inevitably be in close contact, however we organised the event. I hope you agree that this is a sensible decision and will help protect our community.

We are finalising details of how we will communicate the information we would have shared with you at the moment and I will communicate this to you with further updates as the situation develops. As you know, we are working hard to maintain a high standard of education for all our learners and are planning how we will support remote learning should we have to close.

Yours faithfully
