Dear Parents and Guardians

### **Year 9 1-1 Options Interviews**

I am writing to let you know that we have taken the reluctant decision to cancel the 1-1 meetings scheduled to support the options process.

We are following guidance about avoiding non-essential contact and hope you will agree that this is a sensible step to protect the health of our wider community. We hope that the information you have had to date has given your sons and daughters confidence to choose which subjects they wish to study in Year 10. We are intending to delay the whole options process and will be in touch shortly with information about support that will be available remotely should you need it and the new deadlines for the options process.

Yours faithfully
