Dear Parents and Carers

Year 7 Parents' Consultation Evening
Thursday 19 March 2020 – 5.00pm–8.00pm

We are looking forward to seeing you all at our Year 7 Parents' Consultation Evening on **Thursday 19 March 2020** between **5.00pm and 8.00pm**. Our research shows a close correlation between attendance at parents' evening and pupil's success and I am sure you will want to support your child by attending.

The purpose of the evening is to discuss your child's progress with each of his or her subject teachers and for you to gain an understanding of their successes and areas for further improvement. Please encourage your son or daughter to make appointments with all their subject teachers. They will record the appointments in their planners. Pupils should attend this evening with you in their school uniform for this important occasion.

Your son or daughter will make appointments on your behalf so please let them know what time you would like. They will record the appointments in their planners. All the teachers will be available in the Library, Main Hall and Atrium. **Please let us know in advance if you require any support with accessing these areas.**

In order to help with attendance we will be offering a free crèche facility for younger siblings on the evening. If you wish to use the crèche please complete the attached form and return it to Student Reception at the school as soon as possible.

Parking on the school site can become very congested, if you are able to come on foot the back gate will be open, thank you.

Yours faithfully
