

4 November 2021

LRC Weekend Revision

Dear Parents & Guardians

As you know the November mocks are upon us and hopefully your sons and daughters are fully engaged in a revision programme.

To further support revision we are now going to open the school LRC to pupils at weekends until the end of the exam season. Year 10 & 11 pupils can access the Library from **10.00am until 2.00pm** every weekend over the next 4 weeks from **Saturday 6 November 2021** until **Sunday 28 November 2021**. The aim of these sessions is to give pupils a quiet and dedicated place to revise independently. These are not formal, "taught" revision classes, but we have a range of specialist staff supervising in the Library who will be able to offer advice, guidance and support to pupils. Pupils can also take the opportunity to do timed exam questions or get feedback and advice on any written work that they complete in the subject of the supervising staff. Below is the timetable of the subjects taught by supervising staff so that pupils can decide when they may specifically want to attend, although obviously ***pupils are welcome at any and all of the sessions to revise any subject independently.***

Further arrangements for interventions after Christmas will be sent out in due course after the mock exams. Should you require any further information on revision to support your child as they enter their exam period, please do not hesitate to contact either myself or the Progress Leaders.

Yours sincerely,

Mr. D. Carter
Vice Principal

Day	Date	Subject(s) of supervising staff
Saturday	6 November	Science / IT / iMedia / Business
Sunday	7 November	DT / Food / Science
Saturday	13 November	Science / English
Sunday	14 November	Science / Maths
Saturday	20 November	Science / Maths
