Dear Parents and Guardians

We have invited an organisation called Humanutopia in to work with Year 8 on Tuesday 23rd November and your child will be asked to participate in this very exciting and innovative event. Humanutopia comes to us highly recommended and we have commissioned the day as part of our programme of events to support pupils' well-being in light of the pandemic

The day is called "Who Am I" and is designed to help young people discover an authentic side to who they are.

The first part of the day deals with important teenage issues around personal awareness, peer pressure, conformity and bullying. The second part of the day focuses on choices, teamwork, leadership, and aspirations. All students will consider the choices they have going forward and changes they may need to make.

The experience is designed to empower young people to develop critical life skills and take motivation and ownership of their education. We are certain that this will be a positive and memorable experience for your son/daughter and feel it is a perfect complement to their academic studies.

For further information on Humanutopia – please go their website at www.humanutopia.com.

Yours faithfully
