

## Behaviour and Consequences

At Lynn Grove Academy we believe that positive behaviour both in lessons and outside of the classroom is essential to ensure that all pupils receive the highest quality and enjoyable learning experience. The table below shows how consequences escalate for any negative behaviour that takes place.

	Level	Consequence	Negative behaviour points	
Low level behaviour	C1	Reminder	---	 <p>Every six negative behaviour points lead to a 45 minute centralised detention*</p>
	C2	Reset	1	
	45-minute centralised detention			
Persistent behaviour	C3	45-minute centralised detention	3	 <p>Failure to attend detention</p>
	C4	90-minute centralised detention	4	
Defiant or dangerous behaviour	C5	1-day internal exclusion**	5	 <p>Failure of IER sanction = Repeat the day in the IER</p> <p>Failure of reintegration process (IER) = Further fixed-term exclusion</p>
	C6	Fixed-term exclusion Upon return from the fixed-term exclusion, the student needs to complete 1-day internal exclusion.	6	

*NB: Persistent negative behaviour and/or refusal to comply with consequences could lead to permanent exclusion.*
