Learning Support Assistant

NJC 3 actual salary £15,894.65 - 37 hrs a week (Term Time plus one week)

At Lynn Grove Academy our ambition is to provide all of our pupils with great opportunities to discover what they are good at. A key to this is making sure that our young people consistently experience only the very best teaching. Our Learning Support Assistants make a substantial contribution to realising this goal and pupils with SEN make excellent progress at Lynn Grove.

We are looking for someone who is determined that every child, whatever their starting point, should make good progress, who finds supporting colleagues motivating, and who enjoys working with parents. You will work in a range of different ways supporting our young people to access the curriculum and the support you provide will be educational and pastoral. You will support in class and lead interventions.

We have a well-deserved reputation for the quality of our CPD. We know that working together not only improves results but reduces workload and our structures support this. We encourage our Learning Support Assistants to develop a specialist area and will provide training to support this. The role is equally well suited to a colleague considering a career or someone with experience. A number of our LSAs have gone on to other roles in education including teacher training. You will be part of a friendly and dedicated team who love their jobs and support each other with enthusiasm.

Staff and pupils alike benefit from being part of Creative Education Trust as we develop our innovative approaches to curriculum and enrichment. All our staff benefit from access to Health Assured Employee Support scheme, Perkbox, good value dining at lunch and ample parking. We offer an annual free flu jab for anyone who wants one.

If your personal ambition matches the aspirations we have for our pupils, if you believe in working collaboratively, and if you want to work in a school where staff are really valued and supported then please apply.
