Do you want to work in a role where you can make a real difference to pupils' lives every day?

We are seeking to appoint a colleague to join our dedicated and innovative pastoral team. As Pastoral Manager you will contribute substantially to the excellent climate for learning in our school. You will be part of a child centred team and your work will involve you working closely with pupils and their parents. You will be solution focussed and support pupils to overcome challenges and enable them to thrive.

You will develop close working relationships with the Progress Leaders and the other Pastoral Managers. Collaboratively, you will help pupils facing challenges to make good choices and develop good habits. You will work actively to improve pupils' attendance. You will also have involvement with safeguarding and leading Family Support Plans.

We believe in investing in people and offer exceptional opportunities for professional development for all our staff. We have a well-deserved reputation for the quality of the training we provide. We know that working together not only improves results but also reduces workload and our structures support this.

If your personal ambition matches the aspirations you have for your pupils, if you believe in working collaboratively, and if you want to work in a school where staff are valued and supported then please apply. All our staff benefit from access to Health Assured Employee Support scheme, good value dining at lunch and ample parking. We offer an annual free flu jab for anyone who wants one
