Dear Parents/Guardians

As part of our broad and balanced curriculum and commitment to our community ethos, we are planning enrichment activities to inspire and motivate our young people. We are offering a combination of educational visits as well as in-school activities to all students in year 7, 8 and 9.

These fun-filled enrichment days will be available on **Thursday 4th and Friday 5th July 2024.**

This booklet gives you the option of activities for all students, including the cost. If your child is entitled to free school meals, there is funding available to help with payment.

Students don't need to wear their school uniform but please make sure that they are dressed for the weather (suncream, coats etc.)

Please be aware that spaces are limited so they will be allocated on a first-come, first-serve basis and so it is recommended that you submit as early as possible to avoid disappointment.

Please make sure that you have signed up to ParentPay as this is where you will book your places.

Please make sure your child knows that once activities are booked we are not in the position to swap trips/activities etc. so please discuss these events with your child and make a choice of activity before ordering a place on ParentPay.

Once a trip is full, ParentPay will not accept anymore names and once you have committed to the trip you will be unable to change and will be liable for the cost of that place.
