

Key Stage 4 Homework Timetable (Year 10 and 11)

These are the nights that we suggest you complete each set of homework (not the day it is set or due).

Each subject should take approximately **30 minutes per slot**.

Monday	English	Option A
Tuesday	Maths (completion)	Option B
Wednesday	Science (1 st 50%)	Option C
Thursday	Maths (at least 50%)	Option D
Friday	Science (completion)	

English – SAM/Arbor. This will often be a paper-based task to allow you to practice writing.

Maths – Sparx Maths. This will be set each Wednesday morning. Aim to complete at least 50% by the Monday morning and the rest to be completed by Wednesday morning.

Science – Sparx Science – This will be set on a Tuesday morning and must be completed by the following Tuesday. There will be 6 sections to complete, and we suggest doing half on a Wednesday evening and the rest on a Friday.

Options – Most options will set homework on SAM learning.

BTEC Sport are using Everlearner and Spanish/French are using Languagenut (both have a link on the home page)
